

CHARTER
UNITED STATES ARMY SCIENCE BOARD

1. Committee's Official Designation: The committee shall be known as the United States Army Science Board (hereafter referred to as "the Board").
2. Authority: The Secretary of Defense, under the provisions of the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR § 102-3.50(d) (agency authority), established the Board.
3. Objectives and Scope of Activities: The Board shall provide independent advice and recommendations on matters relating to the Army's scientific, technical, manufacturing, acquisition, logistics, and business management functions, and other Department of the Army related matters as determined by the Secretary of the Army, as set out in (4) below.
4. Description of Duties: The Board shall provide independent advice and recommendations to the Secretary of Defense; the Secretary of the Army; the Under Secretary of the Army and Department of the Army Chief Management Officer; the Assistant Secretary of the Army for Acquisition, Logistics, and Technology; and as requested, other Army organizations as determined by the Office of the Secretary of the Army.

The Board is not established to advise on individual Department of Defense (DoD) or Department of the Army procurements, but instead shall be concerned with the pressing and complex technology and business management issues facing the Department of the Army in the areas referenced in (3) above.

No matter shall be assigned to the Board for its consideration that would require any Board member to participate personally and substantially in the conduct of any specific procurement or place him or her in the position of acting as a contracting or procurement official.

5. Agency or Official to Whom the Committee Reports: The Board shall report to the Secretary of Defense, through the Secretary of the Army. The Secretary of the Army, pursuant to DoD policy, may act upon the Board's advice and recommendations.
6. Support: The DoD, through the Secretary of the Army, shall provide administrative support services as deemed necessary for the performance of the Board's functions, and shall ensure compliance with the requirement of the FACA, the Government in the Sunshine Act of 1976 (5 U.S.C. § 552b) (hereafter referred to as "the Government in the Sunshine Act"), governing Federal statutes and regulations, and governing DoD policies/procedures.

7. Estimated Annual Operating Costs and Staff Years: The estimated annual operating costs, to include travel and meeting and contract support, are approximately \$2,540,000.00. The estimated annual personnel costs to the DoD are 5.0 full-time equivalents.
8. Designated Federal Officer: The Designated Federal Officer, pursuant to DoD policy, shall be a full-time or permanent part-time DoD employee, and shall be appointed in accordance with governing DoD policies and procedures.

In addition, the Designated Federal Officer is required to be in attendance at all Board and subcommittee meetings for the entire duration of each and every meeting; however, in the absence of the Designated Federal Officer, a properly approved Alternate Designated Federal Officer shall attend the entire duration of the Board or subcommittee meeting.

The Designated Federal Officer, or the Alternate Designated Federal Officer, shall call all of the Board's and subcommittees' meetings; prepare and approve all meeting agendas; adjourn any meeting when the Designated Federal Officer, or the Alternate Designated Federal Officer, determines adjournment to be in the public interest or required by governing regulations or DoD policies/procedures; and chair meetings when directed to do so by the official to whom the Board reports.

9. Estimated Number and Frequency of Meetings: The Board shall meet at the call of the Board's Designated Federal Officer, in consultation with the Board's Chairperson. The estimated number of Board meetings is four per year.
10. Duration: The need for this advisory function is on a continuing basis; however, it is subject to renewal every two years.
11. Termination: The Board shall terminate upon completion of its mission or two years from the date this charter is filed, whichever is sooner, unless extended by the Secretary of Defense.
12. Membership and Designation: The Board shall be comprised of no more than 60 members who are eminent authorities in one or more of the following disciplines: science, technology, manufacturing, acquisition, logistics, and business management functions, and other matters of special interest to the Department of the Army.

Board members shall be appointed by the Secretary of Defense and their appointments will be renewed on an annual basis. Board members who are not full-time or permanent part-time Federal employees, shall be appointed to serve as experts and consultants under the authority of 5 U.S.C. § 3109 and shall serve as special government employees.

The Secretary of Defense may approve Board members for three-year terms of

service; however, no member, unless authorized by the Secretary of Defense, may serve more than two consecutive terms of service. This same term of service limitation also applies to any DoD authorized subcommittees.

Appointments normally will be staggered among the Board membership to ensure balance and an orderly turnover of the Board's overall composition on a periodic basis.

The Secretary of the Army shall designate the Board's Chairperson and Vice Chairperson from the total Board membership.

With the exception of travel and per diem for official Board related travel, Board members shall serve without compensation. The Secretary of the Army may authorize compensation for Board members when the circumstances warrant.

Each Board member is appointed to provide advice on behalf of the government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest.

13. Subcommittees: The Department, when necessary, and consistent with the Board's mission and DoD policies and procedures, may establish subcommittees to support the Board. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the Board's sponsor.

Such subcommittees shall not work independently of the chartered Board, and shall report all their recommendations and advice to the Board for full deliberation and discussion. Subcommittees have no authority to make decisions on behalf of the chartered Board; nor can any subcommittee or its members update or report directly to the DoD or any Federal officers or employees.

All subcommittee members shall be appointed in the same manner as the Board members; that is, the Secretary of Defense shall appoint subcommittee members even if the member in question is already a Board member. Subcommittee members, with the approval of the Secretary of Defense, may serve a term of service on the subcommittee of three years; however, no member shall serve more than two consecutive terms of service on the subcommittee.

Subcommittee members, if not full-time or part-time government employees, shall be appointed to serve as experts and consultants under the authority of 5 U.S.C. § 3109, and shall serve as special government employees, whose appointments must be renewed by the Secretary of Defense on an annual basis. With the exception of travel and per diem for official Board related travel, subcommittee members shall serve without compensation. The Secretary of the Army may authorize compensation for Board members when the circumstances warrant.

All subcommittees operate under the provisions of FACA, the Government in the Sunshine Act, governing Federal statutes and regulations, and governing DoD policies/procedures.

14. Recordkeeping: The records of the Board and its subcommittees shall be handled according to section 2, General Record Schedule 26, and appropriate Department of Defense policies and procedures. These records shall be available for public inspection and copying, subject to the Freedom of Information Act of 1966 (5 U.S.C. § 552).
15. Filing Date: May 21, 2012
